WILL MY LASIK "WEAR OFF"?

NOPE! Impossible. LASIK doesn't wear off. If your vision changes over time, however, it could be due to age, and we can help with that when the time comes!

HAVE YOU PERFORMED LASIK ON OTHER DOCTORS OR YOUR FAMILY MEMBERS?

YES! We have performed LASIK on many other doctors and our families. If your surgeon cannot answer yes, time to look elsewhere!

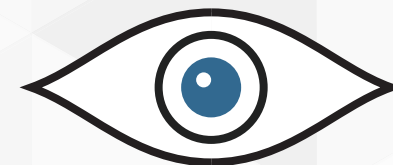

WILL I MEET MY SURGEON BEFORE SURGERY?

YES! At Mann Eye, you're not a number. You're family! And our surgeons absolutely want to meet you before the "big day." (Psst...Not everyone has the same answer.)

In short, we use the latest technology that has been expertly selected by our surgical team for proven results. Anyone on our team is happy to walk you through all the bells and whistles of our laser systems! Don't allow anyone to "cut corners" when it comes to your eyes.

WHAT KIND OF TECHNOLOGY IS USED IN THE PROCEDURE?

WILL I HAVE TO PAY FOR FOLLOW-UP VISITS?

NO WAY! Our all-inclusive price that you're quoted at the time of your free consultation is all you'll have to pay. Be weary of too-good-to-be-true pricing on LASIK; they're likely to nickel and dime you later!
